HIRSLANDEN  
A MEDICLINIC INTERNATIONAL COMPANY

# INSURANCE UPGRADES

Semi-private	Private	CHF 3 500
Basic	Private	CHF 11 500

By upgrading your insurance class, you can enjoy all the benefits of **private insurance**.

You can also give birth at Klinik Im Park if you have basic health insurance. However, you will need to arrange a private insurance upgrade.

Please consult your doctor if you wish to upgrade your insurance class. The doctor's practice will then submit the necessary application to the hospital.

The fixed rates listed are valid for both natural and caesarean births. In the case of twin birth, women with basic health insurance who upgrade to private health insurance are charged a fixed rate of CHF 1 200 for the second child.

These prices apply even if a longer recuperation period is necessary for medical reasons after the birth. If you require inpatient treatment prior to giving birth, the insurance upgrade will be calculated individually.
