A SELECTION OF OUR SERVICES IN DETAIL

DINNER FOR TWO: LET US SPOIL YOU WITH OUR COOKING

You and your partner are warmly invited to celebrate this joyous event in our restaurant. Enjoy a seasonal four-course menu and toast the birth of your child with a fine wine. Your baby can come along, of course. Or you can enjoy a dinner for two while our nursing staff takes care of your baby.

PRACTICAL AND SUSTAINABLE: THE BABY BAG

The Hirslanden Baby Bag, made of first-class material, has all the pockets and space that mother and child need while travelling, visiting and on the go. We joined forces with our partners to fill the bag with many small, useful and valuable «little helpers» to make your everyday experience with your baby easier. And we took particular care to ensure that the Hirslanden Baby Bag is not only practical, but also very chic.

GASTRONOMY

New mothers need energy. That's why we recommend a hearty breakfast for a good start to the day. As a patient with supplementary insurance, you can design your breakfast to suit your tastes and choose from an extensive selection of breads, spreads, granola, egg dishes, cheeses and fine meats. You can choose the main meals from our daily set menus or our à la carte menu. Our chef serves you exquisite dishes made from fresh ingredients of the highest quality.

OUR PRICES FOR A BIRTH UPGRADE

From basic...	... to private	Flat-rate fee of CHF 3100
