

CLINIQUE LA COLLINE

EXPERTISE YOU CAN TRUST.

HIRSLANDEN
A MEDICLINIC INTERNATIONAL COMPANY

HIRSLANDEN CLINIQUE LA COLLINE, GENÈVE

Hirslanden's Clinique La Colline is located in the centre of Geneva and offers multidisciplinary medical and surgical care for both inpatients and outpatients.

Some 300 members of staff and 450 affiliated doctors take care of the health and well-being of patients, and everything is done to ensure their optimum safety.

Clinique La Colline is part of the Hirslanden Private Hospital Group, which includes 16 hospitals in 11 cantons, with 2000 affiliated doctors and employed doctors, as well as 8450 members of staff. The foremost private hospital group in Switzerland, Hirslanden represents the biggest medical network in the country.

HOSPITAL INFRASTRUCTURE

Hirslanden's Clinique La Colline has 67 individual rooms, some of which are en-suite, an outpatient and long-term care unit, a polyclinic, and endoscopy unit and six operating theatres which comply with the most up-to-date standards.

SPECIALISATION

Specialising in orthopaedic surgery and traumatology, neurosurgery, and gastrointestinal surgery, the hospital is able to offer more than 20 centres of expertise and approximately 30 medical and paramedical specialities.

Recognised by Swiss Olympic's «Sport Medical Base», the Centre for Sports Medicine and Exercise offers personalised medical-sports assessments. This care is offered to both young athletes and experienced sportspeople, as well as to anyone who takes part in a sport or who is undergoing rehabilitation.

We also offer performance diagnostics and optimisation, a physiotherapy care network and check-up programmes.

All our centres work closely together and are located on the hospital grounds to facilitate patient care.

EMERGENCY CENTRE

A member of the Geneva Emergencies Network, the Emergencies Centre offers high-quality care to all, regardless of insurance class.

Guaranteeing medical quality and optimal care, the centre is open every day from 7:00 am to 11:00 pm to deal with emergency cases with a minimal waiting time.
