

INVITED TALKS

1. Swiss Transplantation Society, 19th Annual Meeting January 27-28, 2022, Thun:
Lung transplantation: What is the best donor and recipient match?
2. Pneumologisch-Thoraxchirurgisches Kolloquium, Zürich, 18.11.2021
Interdisziplinäres Management der chronisch thrombo-embolischen pulmonalen
Hypertonie
Lungentransplantation
3. National Lung Health Congress 07. October 2021, Antalya Turkey
New Developments in Transplantation and Swiss Experience
4. University of Geneva -27 March 2021
Lung transplantation from DCD donors: opportunities, challenges and outcomes
5. ESOT WEBINAR – 11 May 2021

Ex vivo lung perfusion: State of the art and perspectives: Reconditioning lung with
EVLP
6. ESTS, Knowledge Track Course, 11 May 2021

Essentials in Lung Transplantation
7. ERS Virtual School on Lung Transplantation: Basic Level –
Primary Graft Dysfunction - 03.06.2021
8. Swiss Transplantation Society, 17th Annual Meeting January 23-24, 2020, Thun: Lung
transplantation What is new and hot?
9. National Lung Health Congress 13-17 March 2019 Antalya Turkey: Lung
Transplantation: Patient selection and results
10. Turkish Thoracic Society, 22nd Annual Congress, 10-14 April 2019, Antalya, Turkey,
 - Perioperative and postoperative management after lung transplantation
 - Lung transplantation in surgically difficult patients with demonstrative
case reports: Disagree with transplantation
11. ESTS 2019 27th European Conference on General Thoracic Surgery, Dublin, Ireland
9 -12 June, 2019: Lung transplantation. Current debates in lung transplantation- DCD
Cat 3 Lung Transplantation.
12. 15th Congress of the International Xenotransplantation Association Munich, Germany
October 10-13, 2019: Extracorporeal organ perfusion
13. Swisstransplant 2. Wintersymposium -12 Januar 2017 Luzern: Donation after Cardiac

Death (DCD) Donors: Lung Transplantation

14. The European Society for Heart and Lung Transplantation, XXXI Meeting, January 17-20, 2017, Wengen, Switzerland: Lobar Lung Transplantation
15. Swiss Transplantation Society, 15th Annual Meeting January 27-28, 2017, Thun: Primary graft dysfunction after lung transplantation
16. COPD Day Zurich: Indikation und Erfolg der Lungentransplantation bei COPD, 11.11.2017
17. Lung transplantation workshop IV. 25-26 November 2017 Izmir, Turkey, 25.11.2017
 - Peri-Operative and Immediate Post-Operative Management of Lung Transplant Patient with Cystic Fibrosis
 - Surgical Issues in Lung Transplantation for Cystic Fibrosis
 - Size Matching and Lobar Transplantation in Pediatric Patients
18. Donor shortage – an ongoing issue? 25 years of lung transplantation October 5th 2017, Zürich
19. Lung Transplantation and/or Lung Volume Reduction Surgery, 2016 Zurich Switzerland
20. Istanbul Turkey December, 2016
 - Zurich Experience; ECMO / Bridge to lung transplantation,
 - Lung transplantation in adult and pediatric patients
21. DACH Congress Freiburg, Germany, 2016. Bronchusanastomosen: Technik und Langzeitergebnisse
22. Turkish Thoracic Society, Antalya, Turkey, 2015
 - Bronchial complications after lung transplantation
 - Lung transplantation for non-cystic bronchiectasis
23. ESTS, Copenhagen, Denmark “Animal Models in lung transplantation” 2014
24. ERS, Munich, “One or two lung transplants: Utility versus justice” 2014
25. WSCTS Geneva “Lung Transplantation: current indications and results” 2014
26. Istanbul: Lung Transplantation: Donor selection 2014
27. SEPAR, Barcelona 15 June, 2013

- Lung Transplantation: Cardiopulmonary support
- Lung Transplantation: Surgical Issues

28. Turkish Thoracic Society, Antalya, April, 2013

- Selection and Management of the Lung Donor
- Surgical Complications of Lung Transplantation

29. Zürich, Lungentransplantation bei idiopathischer Lungen fibröse, 27. März 2014

30. Surgical Grand Round, Zurich, Lung in the box: Assessment and reconditioning of donor lungs in ex vivo lung perfusion system, 15. April 2014

31. Interlaken, SGP „Bridge to Lung transplantation on ECMO” 9 May 2014

32. Bern, SGC: Lung transplantation for emphysema: Impact of age on short and long-term survival, 22 May 2014

33. Zürich, TNT Seminar: How to deal with donor organ shortage: Utilization of Donation after Cardiac Death (DCD) Donors in Lung Transplantation, 25 August 2014

34. Zürich, DCD (Donor Care Assoc.): Extended Criteria Donors, 25. 09. 2014

35. Zürich, CF Symposium: Surgical management of recurrent pneumothoraces, 30 Oct 2014

36. Brussels, Belgium: Surgical complications of lung transplantation, 2009
