## INSURANCE UPGRADES

<b>Semi-private</b>	Private	CHF	3500
<b>Basic</b>	Private	CHF	11500

By upgrading your insurance class during your stay, you can enjoy all the benefits of **private insurance**.

Please consult your doctor if you wish to upgrade your insurance class. The doctor's practice will then submit the necessary application to the hospital. The fees listed are valid for both natural and for caesarean births. In the case of multiple births, women with basic health insurance who upgrade to private health insurance are charged a fixed rate of 1200 CHF for each additional child.

These prices also apply even if a longer recuperation period is necessary for medical reasons after the birth. If you require inpatient treatment prior to giving birth, the insurance upgrade will be calculated individually.
