

ADDITIONAL COMFORT FOR MOTHERS-TO-BE

THIS FLYER CONTAINS EVERYTHING YOU NEED TO KNOW ABOUT HEALTH INSURANCE UPGRADES AND ALL THE ASSOCIATED SERVICES.

HEALTH INSURANCE UPGRADE

Semi-private	Private	CHF 3,500
Basic	Semi-private	CHF 8,500
Basic	Private	CHF 11,500

You can welcome your baby into the world at Klinik Im Park if you have semi-private or private health insurance.

If you opt for an insurance upgrade, you will benefit from the associated services for the entire duration of your stay at the hospital.

You can also give birth at Klinik Im Park if you have basic health insurance. However, you will need to arrange a semi-private or private insurance upgrade.

Please consult your doctor if you wish to upgrade your insurance class. The doctor's practice will then submit the necessary application to the hospital.

The fees listed are valid for both natural and for caesarean births. Multiple births incur an additional fee of CHF 1,200 for each additional child.

These prices also apply even if a longer recuperation period is necessary for medical reasons after the birth. If you require inpatient treatment prior to giving birth, the insurance upgrade will be calculated individually.

Do you have any questions?

Your doctor or Patient Administration Services at Klinik Im Park will be pleased to help you further. Patient Administration Services can be contacted on T +41 44 209 21 60 from Monday to Friday between 8.00 am and 5.00 pm.
