THIS FLYER PROVIDES MOTHERS-TO-BE WITH INFORMATION ABOUT HEALTH INSURANCE UPGRADES AND ALL THE ASSOCIATED SERVICES.

HIRSLANDEN  
A MEDICLINIC INTERNATIONAL COMPANY

# INSURANCE UPGRADES

<b>Semi-private</b>	Private	3 500 CHF
<b>Basic</b>	Private	11 500 CHF

By upgrading your insurance class during your stay, you can enjoy all the benefits of **private insurance**.

You can also give birth at Klinik Im Park if you have basic health insurance. However, you will need to arrange a private insurance upgrade.

Please consult your doctor if you wish to upgrade your insurance class. The doctor's practice will then submit the necessary application to the hospital. The fees listed are valid for both natural

and for caesarean births. In the case of multiple births, women with basic health insurance who upgrade to private health insurance are charged a fixed rate of 1 200 CHF for each additional child.

These prices also apply even if a longer recuperation period is necessary for medical reasons after the birth. If you require inpatient treatment prior to giving birth, the insurance upgrade will be calculated individually.

# SERVICES ACCORDING TO INSURANCE CLASS

At Klinik Im Park, patients with semi-private or private insurance – or those who opt for an insurance upgrade – will receive different service packages that are tailored to their needs.
